PROFILE

Enzo is a freelance aerialist in Las Vegas, Nevada, mostly working the city's corporate events and parties. He is also a primary aerial instructor at the famous Las Vegas Circus Center. His first performance experiences and acrobatic training took place in his home town of Orcas Island, Washington. His introduction to circus arts began in 2008 through several youth circus camps. In 2015 he joined a small local program where he was able to start training regularly and began to hone his skills as an aerialist and as a performer. In 2017 he joined the professional training company "FlyCo" at AWOL Dance Collective in Portland, OR. About a year later Enzo was accepted to the renowned "ProTrack" program at the New England Center For Circus Arts, where he focused on Aerial Straps, Tissu/Silks, Rope and Swinging Trapeze. Now he can't imagine a life without circus, as it is extremely rewarding and fulfilling.
